“I attended an elegant memorial service for one of my patients created and officiated by Theresa Stivers, I highly recommend her service”

Thomas Gearan, M.D.

Professional History

Since living in Maine, Theresa has been employed in the Health Care Field serving in Administrative Support and Patient Advocacy positions with Blue Cross-Blue Shield, Aetna, and most recently with Maine Medical Partners Falmouth Internal Medicine.

I was so impressed with Theresa's skill in bringing together such a diverse group; she has a rare ability to make a connection with people from all backgrounds. All aspects of this brought great dignity to an emotional occasion.

About Theresa...

Theresa was born and raised in New York City. A sudden death in her family gave her the responsibility and opportunity of taking over a family business at a very young age.

Theresa has been a devoted wife and mother, and has always remained committed to her family life. She moved to Maine in 1989 to provide a better life for her two sons; both whom reside in Maine, and is now a proud grandmother.

A natural care giver, Theresa assisted to arrange both end of life care, funeral and memorial services for immediate and extended family members. Her loving and understanding approach preserved the dignity and joy of sharing a life at a time of loss.

These experiences guided her to become a Funeral Celebrant.

“I attended a service that Theresa officiate at and it was a beautiful event all around”
