Our philosophy

We believe in the dignity of each person, and recognizing that we all have unique physical, emotional, mental and spiritual needs that should always be respected and never violated.

Pine Tree Home Health Care makes it our mission to provide individualized care tailored to meet all of our consumers' needs.

We know how important family is and understand that your home holds many memories. We strive to keep you at home, where you belong. Home is not only a familiar place, it also symbolizes your independence and freedom to make decisions regarding your care. We are dedicated to helping you or your loved ones to live safer, healthier, and a more active life at home.

For your peace of mind

We are fully insured and are a registered PSS agency with the State of Maine.

We complete full reference checks and criminal background checks prior to hiring staff.

We gladly provide a free consultation in your home where we will assess your needs and determine how we may better meet them.

We will work with you and your families to maintain your safety at home.

We provide varied amounts of hours of care starting from 2–24 hours per day.
